

VIG Re, the reinsurance company of Vienna Insurance Group, is a dynamic company with international operations mainly in Continental Europe. We are looking for a new team member who will accompany us to the next step in our strategic growth.

We work hard, but we also like to have fun. Our company culture is quite exceptional for the Czech insurance market; please check out our website www.vig-re.com for more information about us.

UNDERWRITING SPECIALIST

Responsible for the monitoring of VIG Re's underwriting risk profile in respect of risk accumulation control and large individual transactions and supporting the underwriting referral process.

Responsible to coordinate the regular updates of VIG Re's reinsurance standards, and to support the CUO in the management of the underwriting planning process and other tasks.

Your Tasks:

- Monitor the underwriting risk profile of the Company with regard to the parameters as set out in the Risk Strategy and Underwriting Plan, especially regarding
 - natural catastrophe accumulation
 - other known accumulation risks
 - individual transactions which may have a material impact on the risk profile of the Company
- Support the underwriting referral process, including
 - coordination of referred transactions
 - setting context to VIG Re underwriting guidelines
 - monitoring and reporting of underwriting
- Support the CUO in the management of the underwriting planning process
- Cooperate with internal stakeholders of VIG Re market teams (incl. underwriting departments, branch offices, accounting department, claims management and corporate underwriting)
- Support Business Administration in the assessment of reinsurance contract wordings with regard to compliance with VIG Re underwriting standards
- Contribute to risk management and compliance related responsibilities relating to assumed reinsurance (e.g. the annual update of guidelines)
- Support Corporate Underwriting related internal projects, including the improvements of underwriting workflow system (BSS) and underwriting standards

Our Expectation

- Collaboration and networking, i.e. you work to build partnerships, share information and pass on knowledge
- Work carefully, independently as well as in teams, maintain high quality standards and you are capable to take decisions within assigned responsibilities
- View tasks from different perspectives and seek support for ideas and solutions. Adapt to different ways of doing things and develop alternative solutions
- Excellent command of English
- Very good IT skills of standard software (MS Office)
- Proficient communication and presentation skills, for relationship management and in conducting negotiations
- Very good analytical and mathematical skills
- Sound work experience in (re)insurance

We Offer

- Opportunity for professional development in one of the leading insurance groups in Central and Eastern Europe
- The opportunity to contribute essentially to overall company direction and development
- Attractive, performance-oriented remuneration package
- An extensive package of benefits
- Flexible working hours
- Work in an international team
- Workplace in the heart of Prague
